

***Innovation drives the U.S. economy.  
The R&D tax credit drives innovation.***

That's why hundreds of small, medium, and  
large companies from across America  
employing millions of American workers ask Congress to  
**put an end now to the tax on American innovation**  
by seamlessly restoring and strengthening  
the R&D tax credit through 2007.

**R&D** Credit  
Coalition
